

NRAAO Conference 2022

Making Waves

July 2020

Dear Friends and Colleagues,

As President Elect and Conference Chair of the Northeastern Regional Association of Assessing Officers we invite and encourage you to make plans to register now for the NRAAO 2022 so that we can organize accordingly for this amazing backdrop for our well known annual education conference. The NRAAO 2022 Conference will be hosted by Connecticut from May 1-8, 2022 and will certainly be a NRAAO not to be missed!

At this early planning stage, 22 months prior to conference, there are an unprecedented amount of credit hours available due to the incredible amount of conference space and avid interest in new venue for the conference. The following Instructors are confirmed and in the process of honing their seminar topics to include a myriad of topics for everyone, assessment and appraisal interests to be equally represented. Additionally there will be ample time and space allocated for vendor technology sessions.

The NRAAO 2022 Connecticut host crew, with former CAAO President Chandler Rose at the helm of Education, has teamed up with and has commitments from the following instructors who are well-known to the NRAAO members:

IAAO Instructors including Karen Beattie, NRAAO President 2018, Edye McCarthy New York NRAAO Representative, David Cornell and AQB Certified USPAP instructor and NRAAO President 2008 Les Pruitt just to name a few!

The well-rounded education schedule for the conference will offer over 65 credit hours in total; with individual attendees having the opportunity to accumulate more than 24 credits throughout the conference. There is such a variety of workshops being developed and fine-tuned that there will be something for everyone! Please check back to the website nraao.org for updated workshop descriptions as topics are finalized.

In the time-honored tradition of the NRAAO conferences, there are an unbelievable amount of opportunities for networking with other regional professionals and social gatherings during this expanded 7 day conference. The networking opportunities include but are certainly not limited to the Sunday welcome reception with views like no other; all-inclusive evening activities and a myriad of options for group excursions; vendor technology question and answers and demos, a Connecticut tradition pub crawl, and the annual Closing Banquet to pass the gavel to our friends in Maryland.

We are taking deposits and booking now for preferred accommodations and room selection so book now to be early. Payment plans and incentives for early bookings are available. <http://ct2022.nraao.org/>.

We look forward to Making Waves with you in May 2022!

Questions about this exciting new conference backdrop? Or if you want more detailed information to start making your plans, send an e-mail to nraaoct2022@gmail.com for swift response.

Respectfully,

Mary Huda
